

THE OLD FOLKS AT HOME

Are Never Without Peruna in the House
for Catarrh, Coughs and Colds.

MR. AND MRS. PETER HOFFMAN, KYLERTOWN, PA.

MR. PETER HOFFMAN, Kylertown, Pa., writes:

"I was deaf for five years and could find no help. I was completely deaf; was afflicted with shortness of breath, bronchitis, trouble in the throat, so that I was in misery. Through one of Dr. Hartman's almanacs I decided to try Peruna, and bought a bottle.

"I took three bottles and now feel real well; my hearing is good again; I can breathe without difficulty; my throat is no longer inflamed. I followed all the directions, and can now say that Dr. Hartman's Peruna has cured me.

"I recommend it to all suffering with catarrh. I am seventy-one years old, have an appetite again and can work. I feel ten years younger."

When old age comes on, catarrhal diseases come also. Systemic catarrh is almost universal in old people.

This explains why Peruna has become so indispensable to old people. Peruna is their safe-guard. Peruna is the only remedy yet devised that meets these cases exactly.

Such cases cannot be treated locally; nothing but an effective systemic remedy could cure them. This is exactly what Peruna is.

Mrs. Peter Hoffman also writes:

"I was sick for many years; suffered with the liver, stomach and kidneys. I had seven doctors, but none could cure me, as they did not know what ailed me.

"Every one who saw me said that I could not live very long. I began to take Peruna and grew better every day. The severe pains in the stomach have disappeared. I am now well and have a good appetite. I am seventy years old and can do my work without getting tired.

"Peruna is the best medicine in the world for catarrh. Your good Peruna has saved my own and my husband's life."

Mr. Robert Meiters, of Murdock, Bass Co., Neb., Box 45, writes:

"I had catarrh from my head all through my system. I took Peruna until I was entirely cured. I am eighty-three and a half years old, and feel as young as I did ten years ago.

"I visited recently among some old friends, who said I looked as young as I did twenty years ago."

Address The Peruna Medicine Co., Columbus, O., for a free catarrh book.

Lived—Hope.
Let the postulate sear in devotion,
Look up to the stars and be brave,
For love is an infinite ocean,
And trouble is only a wave.
Be an optimist, smile through your sorrow,
Have faith with regret and repine,
For even on the hills of misfortune,
A light on your face will shine.
It never is wise to be weeping,
It never is brave to despair,
The heart is more happy for hoping,
Live here in the soul of a prayer.
—Will Ward Mitchell.

Drowned.
Addie Langford, a little girl of nine years, was drowned in the slough by the river Thursday afternoon about five o'clock. With her mother and five-year-old brother she was picking up shells along the side of the slough. The little boy fell into the water and she tried to rescue him. The mother also got into the water and rescued the boy, but the little girl was lost sight of in the excitement and confusion. The water was not more than eighteen inches deep at the place. Mrs. Langford gave the alarm and some men went to the place and recovered the body. There was a high bank at the place where the children fell in the slough. Mrs. Carrie Langford, living near the foot of Third street, is the mother of the child.

Col. Ham to Lecture Here October 13.
Moberly (Mo.) Monitor says of Col. Ham's lecture at Moberly:

Mr. Ham is the peer of any lecturer in pleasing an audience that has ever visited Moberly. We will not undertake to tell what he said, nor how he said it, both the what and how made them smile, laugh and howl, and cry for more. It is safe to say that a Moberly audience never more delightfully entertained than was the large and appreciative crowd that heard Mr. Ham last night.

Senator Vest's Blindness.
Alarming reports have been in circulation again in regard to the condition of Senator Vest's eyesight. They seem to have grown out of a course of treatment he is undergoing at the hands of some Baltimore specialists. The latest news is that his condition is not worse than it has been for several years. It is said that his eyes are not failing faster than his general strength.

Notice to Gas and Water Consumers.
All persons owning property in the blocks without water or gas service where the vitrified brick pavement will be laid will save money by having service put in before pavement is laid as the cost of piping streets under pavement will be several times as much as what it would cost at present.
L. C. YATES,
Superintendent Water Works.

Prof. C. A. Phillips went to Independence Saturday morning to help arrange a programme for the meeting of the West Central Teachers' Association, to be held at Marshall on Thanksgiving day. Some of the members of the Lexington schools will probably take part in these exercises.

George Wade came in Sunday morning from Hannibal, where he has been in the hospital recovering from an injury incurred in a railroad wreck there. Mr. Wade is still on crutches and does not think that he will be able to do any more work this season. He will spend several days here consulting with his lawyer, Mr. Aull, before joining his company.

The Southern Orator
And Humorous Lecturer

COL. H. W. J. HAM

Subject.

'Old Times in Dixie'

The St. Louis Republic says: The lecture last evening by Hon. H. W. J. Ham, of Georgia, was exuberantly humorous. At the same time it was an earnest plea for purer and higher Americanism, and exhortation of the pestiferous and pestilential partisans who would subordinate the public good to mere party success, to the end that they may control officers and revel in their emoluments and profits.
